

cabana

9' x 6'

Cabana built by Sheryl Hollen of Safety Harbor, Florida

As easy as 1-2-3!

The Cabana is a multipurpose garden shed and makes an excellent poolside cabana, playhouse, backyard retreat or garden house.

The Cabana kit includes a Dutch door and 2 non-functional windows, complete with window boxes and shutters.

“My contractor estimated that he would have charged me double the amount I paid if he had to build a similar garden shed from scratch!”

John Larsen of Montara, California
