## Perfect for the kid in all of us!

*The Clubhouse is attractive and versatile and makes an ideal place for family get-togethers, barbeques, or for just relaxing with your favorite book.*

*The unique front slide-away porch window is great while entertaining and will serve as a convenient pass-through opening or as the perfect access to your outside bar.*

*Two functional pop-out window walls are included in the kit and can be positioned on any wall of your choice, allowing you to customize the Clubhouse to suit your needs.*

*"I wanted to let you know how happy we are with our new Cedarshed! I would recommend your garden shed to anyone who wanted to build their own."*
