

*New*

**in our PROGRAMME !!!**

*New*

*Who has never dreamt about it; your own veranda, sitting in you rocking-chair with a good book and a glass of wine. It is very romantic to have an outside dinner on the veranda with the one you love or with family and friends. Let the summer rain fall!*

*An AMERICAN VERANDA fixed to your house as an extension between your living room and your garden.*

*Lugarde designed a veranda in several depths and widths. Please look at the different modules with possibilities we have and design your own veranda.*

*The veranda's are available in combination with a summer house or log cabin, but you also can buy one to build against your home, barn or garage (please note that your building is high enough). When you order a veranda in combination with one of our summer houses or log cabins, you have to higher the building (see pricelist).*

# Lugarde Veranda-programme

*For getting the price of the veranda we have chosen for a system with modules:*

*Module A - B and C can be delivered in a depth of 150 cm.*

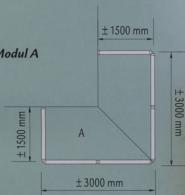

*Module D and E can be delivered in a depth of 300 cm.*

*The wood for this veranda will standard be pre-impregnated (see treatment and maintenance) and will be delivered as a building kit. The optional floor for the veranda is high pressure-impregnated. The standard colour of the shingles is always green. If you would like another colour (red, black, brown or blue) please indicate on your order.*
