

External Colour Options

Henley buildings are built to last – and that includes the company's range of contemporary colour finishes. These stains are heavy-duty, solid siding stains imported from the USA and developed by The Flood Company of Hudson, Ohio. They are designed to be maintenance-free for 15 years.

Mid Blue

Deep Green

Deep Red

New England Grey

Sandstone

Sunset

Carpets

Venetian Blinds

High quality metal blinds in a choice of finishes.

Brushed steel

Cherry Woodgrain

Maple Woodgrain

The Henley MultiDesk desk and storage system has been created especially for the Henley Compact Office range. A further variant of the same design has been adapted for the Henley Homespace. As well as an L-shaped desk, both variants include adjustable shelves and cupboards that make the most of the available space.

The MultiDesk is available in a choice of two veneer effects.

Maple

Cherry

A maple effect MultiDesk *Flexi* configured for the Henley HomeSpace *Orwell*

A cherry effect MultiDesk *Alpha* in typical Compact Office configuration

Office Furniture

Henley can supply a range of attractive furniture. As well as seating options, this includes filing cabinets finished in the same veneers as the Henley MultiDesk. Please contact us for further details.
