

# Prima

## ovaal serie

## New!

### **The Prima Nadine!**

**This lady is approx. 525 x 385 cm and has a wall thickness of 44 mm.**

The roof is supplied as a building kit, meaning separate rafters, roof beams and shingles.

Standard package: 2 casement windows PE23T (outward opening) and 2 double doors PE24T, both windows and doors are double glazed.

Article number  
With shingled roof PN01

**All oval models, incl. the Prima Nadine, are delivered with glass, pressure-impregnated foundation beams, chrome metalwork (unless indicated different), metal cap, two aluminium weather vanes/witches or two brass/chrome plated balls or a combination.**

A wooden floor is optional (see pricelist).  
The standard colour of the shingles is green, if you would like another colour (red, black, brown or blue) please mention this on your order.
